Our Services

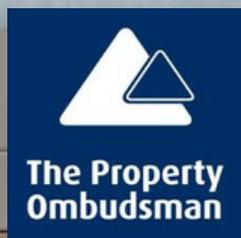

“Your Property, Our Priority”

Here at 'Iles and Jenkin' we have been letting and managing properties in the local area for over 25 years. In addition to those many years of lettings experience, we believe that we are possibly the most honest and transparent Letting Agent in the North Somerset area as we have clearly advertised fees and no hidden charges. Our belief is that by being truthful and clear about our charges, our clients will know that they are dealing with an honest and up-front Letting Agent who will always put their best interests first.

We offer our Landlords a Lettings service which is the same for all our clients; whether you are letting one property or a portfolio of properties, and whether it is managed or non-managed, you will get the same high excellent level of service from us. Additionally, we work entirely on a 'no let - no fee' basis for all our clients and we are extremely proud of our professional and friendly service that we always provide to both our Landlord clients and to their customers, the property tenants.

Most importantly, for your peace of mind we are members of The Property Ombudsman Scheme (TPOS) and all our managed tenancy deposits are held within the Deposit Protection Service Custodial Scheme, a government backed deposit scheme.

Getting Started

The process is very simple if you wish to instruct us to market your property:

We begin with a no-obligation Market Appraisal whereby we advise you how much rent your property will likely achieve in the present rental market, based on comparable evidence

We will also offer you any advice you may ask for to either achieve a better rent or to find a tenant more quickly. Our staff are very experienced so there is very little they will not know!

We will commence marketing the property via our various property portals, including www.OnTheMarket.com and www.ilesandjenkin.com and various forms of social media

We will contact our extensive database of good quality lettings applicants via phone, email and in writing to alert them to the property

We operate on a "no let - no fee" basis, so in the unlikely event that we cannot find you a tenant, there is no fee to pay. We will only charge you once we've found you with a tenant.

Our Services

Once a tenant has been found, we offer the following options to our Landlords:

Tenant Find and Let Only Service

Cost - 50% of one months rent + VAT

(Minimum fee £450 + VAT/£540 inc VAT)
