Welcome,

Since 2004 we've been serving the people of West Sussex and we've helped hundreds of clients let and sell their properties.

Anyone can sell or let a property and not get the best price. A great agent has to maximise the price.

This marketing plan details how we do that, as well as making it easy for you and reducing risks.

We are confident that our strategy of presenting your property via our marketing and exposing it to the biggest audience will result in you picking and choosing the best tenant.

Our plan is bespoke and can be changed to fit your requirements, your happiness is our priority.

Thank you for your time, and please get in touch with us if you have any questions whatsoever.

Why Cooper Adams letting?

When we first meet you at the property, we would discuss what needs to be done to prepare for letting, being legally compliant as well as making cost-effective improvements to achieve a higher rent with a better quality tenant.

We know the priorities for a landlord:

1. Maximise the investment returns.
2. A stress-free tenancy.

How we maximise your returns

1. Advice on presenting the property to maximise returns with the most cost-effective outlay.
2. Marketing the property to the best with pro photography floorplans and video to the biggest audience.
3. Regular rent reviews.
4. Low or zero void periods.
5. Regular inspections to nip any repairs in the bud.

We we reduce your stress

1. Ultra stringent vetting on a tenant.
2. Rent guarantee and legal cover insurance all included.
3. Full landlord reporting on 'dealt with' repairs.
4. Regular inspection reports and statements sent to you.
5. Our landlords instruct us then relax while the money goes into their bank account monthly.
6. The landlord is always kept in the picture.

Targetted Mailings

Reaching the tenants

We have built up a very large database of tenants looking for a new home.

Once our team have seen your property, and we are ready to launch, we speak to everyone on our database who may be interested in your property, we then mail out the details to them, electronically or by post. We also would engage with other locals who may be interested, or they may know someone who is interested.

Quite often we will host an Open Day at your property and build anticipation and excitement to this. We will create a busy event to create demand for your home and encourage competitive bidding to maximise the value of your property.

Website & Portals

www.cooper-adams.com

We have won awards for our website - we have fine-tuned it to really show properties off to their best.

Large photos, video and packed with information on your property. We also show floor size area and plot sizes on each property.

Our website is updated 24 hours a day.

We have online chat which we can answer rather than outsourcing as our competitors do.

Portals

We advertise on Rightmove, OnTheMarket, Boomin and other sites.

We have tried others, but the results were not as good.

Any enquiries from these web portals are instantly picked up, and our job is to convert these to viewings and then offers.

Our offices

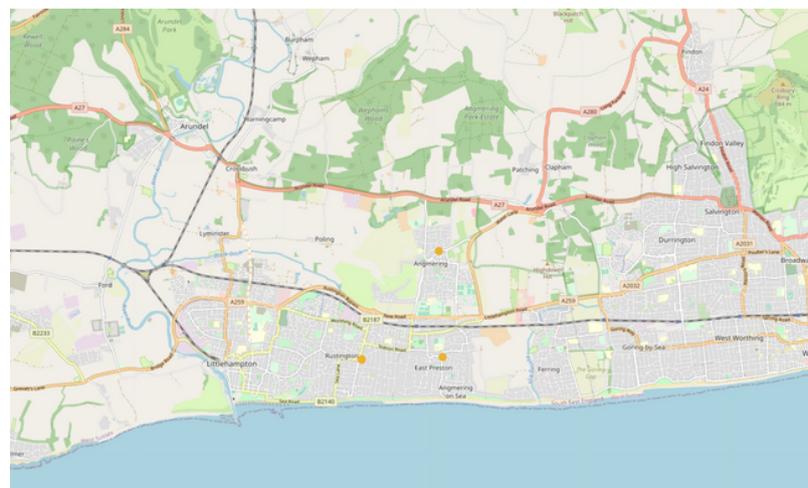

At the heart of BN16 but still successfully letting and selling from BN11 to BN18

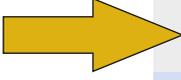

Three local offices in Angmering, East Preston & Rustington, specialising in BN16 and BN17 but successfully letting and selling in BN11 - BN18.

When you instruct Cooper Adams to let or sell your property, you are instructing three branches with a large team.

All our properties feature in an office display as we still get many walk-ins, this is important.

Some agents nowadays don't have high street offices and work from their bedroom at home, but we still feel an easily accessible office, open six days a week with a team in each one will always offer a better service. Yes, it may cost us more, but if it benefits a landlord then that is paramount.
